### **Activity**

A cleanliness drive was conducted on 27th December, 2021 within the ICAR-NRCG Campus near residential quarters. The importance of separating organic/biodegradable wastes and non-biodegradable wastes was told to everyone. A total of 32 NRCG staff participated in the program. Biodegradable and non-biodegradable wastes were collected separately and put at one place for proper disposal. The importance of composting and recycling was also told to all participants. Information regarding waste water management was given.
