

Swachta Pakhwada – 16th December, 2020 – 31st December, 2020

Swachta Pakhwada Daily Report

Name of the Institute	Activities	No. of officer/officials participated	No. of persons participated (Public)
ICAR – NRC for Grapes, Pune	Stock taking of waste management activities including utilization of organic waste/generation of wealth from waste, polythene free status, composting of kitchen and home waste materials, promoting clean and green technologies and organic farming practices in kitchen gardens of residential colonies/one nearby village and providing on the spot technology solution.	28	NIL

An awareness drive was organized on 26.12.2020 to highlight the importance of proper management of wet waste generated from kitchens in residential colonies. The simple procedure of waste management through composting of wet waste was highlighted. The same procedure can also be adopted in composting of farm waste in agricultural land on a bigger scale. The objective of “Wealth from Waste” can be achieved through this practice of composting and this idea was highlighted to all the participants.
