

The HRD Unit, ICAR-NRC for Grapes, Pune organized an ‘Exposure Visit’

The HRD cell, ICAR-NRCG organized an exposure visit for technical officers from the farm section to the John Deere tractor R&D unit in Sanaswadi, Pune, on 06.08.2025. The purpose of the visit was to give the farm team direct experience with modern agricultural machinery and manufacturing processes. During the visit, participants gained valuable insights into the latest technologies, production methods, and quality standards in tractor manufacturing. The program included a factory tour and discussions with John Deere experts about recent advancements in farm machinery, particularly as they relate to viticulture.
