

## Announcement of onsite sampling training programme

### Training programme on

### “Field Demonstration on Pre-harvest Sampling of Grapes for Agrochemical Residue Analysis”

**Organizer: National Referral Laboratory, ICAR-NRC for Grapes, Pune.**

**Venue: National Horticultural Research and Development Foundation (NHRDF), Regional Research Station, Chitegaon, Nashik.**

**Date: 20<sup>th</sup> January, 2026 (10.00 am to 03.30 pm)**

**Registration Date: 06<sup>th</sup> to 15<sup>th</sup> January, 2026**

National Referral Laboratory, ICAR-NRC for Grapes, Pune is pleased to announce a one-day onsite training program on “**Field demonstration on pre-harvest sampling of grapes for agrochemical residue analysis**” at Nashik.

#### **Course objectives:**

The primary focus of this training will be to deliberate the procedure for pre-harvest sampling of grapes for pesticide residue analysis as per the APEDA regulations.

The specific objectives of this training are as follows:

#### **1. Familiarization and onsite demonstration on pre-harvest sampling of grapes for pesticide residue analysis.**

#### **You will learn about:**

- ♦ Overview of residue monitoring plan (RMP) of APEDA for control of pesticide residues in fruits and vegetables
- ♦ Documentation requirement for various sampling procedures
- ♦ Pre-harvest sampling of grapes and pomegranate for pesticide residue analysis
- ♦ Packaging and transport of samples to the laboratory- Do's and Don'ts.

Interested laboratories are requested to nominate their laboratory samplers **on or before 15<sup>th</sup> January, 2026**. The laboratories are requested to fill the online registration form to participate in the training programme on or before the deadline. A maximum of 100 participants only will be accommodated for this training and confirmation will be given on first come first serve basis.

**Registration Fee:**

The registration fee for one-day training will be as given below;
